

# Accentuate the Positive

artist:Johnny Mercer & The Pied Pipers , writer:Harold Arlen ,Johnny Merce

You've got to ac-centu-ate the positive  
E-limin-ate the negative  
And latch on to the aff-irmative  
Don't mess with Mister In-Be-tween

You've got to spread joy up to the maximum  
Bring gloom down to the minimum  
Have faith or pande-monium's  
Liable to walk upon the scene

(STOP) To illustrate (STOP) my last remark  
Jonah in the whale, Noah in the ark  
(STOP) What did they do  
Just when everything looked so dark?

You've got to ac-centu-ate the positive  
E-limin-ate the negative  
And latch on to the aff-irmative  
Don't mess with Mister In-Be-tween
