

Bus Stop [Dm]

artist:The Hollies , writer:Graham Gouldman

Bus stop wet day she's there I say please share my umbrella
Bus stop, bus go, she stays love grows under my umbrella
All that summer we enjoyed it
Wind and rain and shine
That umbrella we employed it by August she was mine

Every morning I would see her waiting at the stop
Sometimes she'd shop and she would show me what she bought
All the people stared as if we were both quite insane
Someday my name and hers are going to be the same

That's the way the whole thing started silly, but it's true
Thinking of a sweet romance beginning in a queue
Came the sun, the ice was melting
No more sheltering now
Nice to think that that umbrella led me to a vow

Every morning I would see her waiting at the stop
Sometimes she'd shop and she would show me what she bought
All the people stared as if we were both quite insane
Someday my name and hers are going to be the same

Bus stop, wet day, she's there I say please share my umbrella
Bus stop, bus go, she stays love grows under my umbrella
All that summer we enjoyed it
Wind and rain and shine
That umbrella we employed it by August she was mine
