[G] Everybody's going away
Said they're moving to [C] L.A.
There ain't a [D] soul I know around
Everybody's leaving [G] town

Some [G] caught a freight, some caught a plane
Find the sunshine leave the [C] rain
They say this [D] town will waste your mind
I guess they're right cause it's wasted [G] mine

Some got to win, some got to [C] lose
[D] Good time Charlie's got the [G] blues

[G] My old heart keeps telling me
You ain't no kid at thirty [C] three
You play around and you [D] lose your wife
Play too long and you lose your [G] life

[G] I got my pills to ease the pain
I can't find a thing to ease the [C] rain
Sometimes I'd like to [D] try and settle down
But everybody's leaving [G] town

Some got to win, some got to [C] lose
[D] Good time Charlie's got the [G] blues
