On a coconut island, I'd like to be a castaway with you
On a coconut island, there wouldn't be so very much to do *
I would linger a while and just gaze into your lovely eyes so blue
Then I'd walk for a mile and come running back to be with you

There the waves would make a pair of willing slaves of you and me for--ever
And we'd laze for days and days and never gaze out where the ships
Go sai-ling * by

On a coconut island, I'd like to be a castaway with you
Just to bask in your smile and, to re-a-lize my dream come true *
I would linger a while and just gaze into your lovely eyes so blue
Then I'd walk for a mile and come running back to be with you

There the waves would make a pair of willing slaves of you and me for--ever
And we'd laze for days and days and never gaze out where the ships
