

Vatican Rag, The

artist:Tom Lehrer , writer:Tom Lehrer

Based on tigerdj version on Ultimate Guitar

First you get down on your knees,
Fiddle with your Roseries
Bow your head with great respect and..
Genu-flect, Genu-flect, Genu-flect!

Do whatever steps you want if
you have cleared them with the pon-tiff
Everybody say his own Kyrie Eleison,
Doin' the Vatican Rag.

Get in line in that processional,
Step into that small confessio-nal,
There the guy who's got religion'll
tell you if your sin's origi-nal.
If it is, try playin' it safer,
Drink the wine and chew the wafer.
Two, Four, Six, Eight.
Time to transubstantiate.

So get down on your knees,
Fiddle with your Roseries
Bow your head with great respect and,
Genu-flect, Genu-flect, Genu-flect.

Make a cross on your abdomen,
when in Rome, do like a Roman.
Ave Maria, Gee it's good to see ya!
Gettin' Ecstati-can, sorta dramati-can
Doin the Vatican Rag!
