[D] That first night, we were [G] standin' at your [D] door
Fumblin' for your [G] keys, then I kissed [D] you
[A] Ask me if I [Bm] wanna come in-[G]side
'Cause we didn't [D] wanna end the night
Then you took my [G] hand and I followed [D] you

Yeah, [D] I see us in [G] black and white
[Bm] Crystal clear on a [A] starlit night
In [D] all your gorgeous [G] colours
I [Bm] promise that I'll love you for the [A] rest of my life
[D] See you standing [G] in your dress
[Bm] Swear in front of [A] all our friends
There'll [D] never be a-[G]nother
I [Bm] promise that I'll love you for the [A] rest of my life

[D] Now we're sittin' [G] here in your livin' [D] room
Tellin' stories while we [G] share a drink or [D] two
And there's a [A] vision I've been [Bm] holdin' in my [G] mind
We're sixty-[A]five and you [D] asked
When did I first [G] know, I always [D] knew

Yeah, [D] I see us in [G] black and white
[Bm] Crystal clear on a [A] starlit night
In [D] all your gorgeous [G] colours
I [Bm] promise that I'll love you for the [A] rest of my life
[D] See you standing [G] in your dress
[Bm] Swear in front of [A] all our friends
There'll [D] never be a-[G]nother
I [Bm] promise that I'll love you for the [A] rest of my life

[G] And I want the [D] world to wit-[Bm]ness when we [A] finally say "I [G] do"
It's the [D] way you love, I [Bm] gotta give it back to [A] you [G]
I can't [D] promise picket [Bm] fences or [A] sunny after-[G]noons
But at [D] night, when I [Bm] close my [A] eyes

[D] I see us in [G] black and white
[Bm] Crystal clear on a [A] starlit night
There'll [D] never be a-[G]nother
I [Bm] promise that I'll [A] love you

[D] I see us in [G] black and white
[Bm] Crystal clear on a [A] starlit night
In [D] all your gorgeous [G] colours
I [Bm] promise that I'll love you for the [A] rest of my life
[D] See you standing [G] in your dress
[Bm] Swear in front of [A] all our friends
There'll [D] never be a-[G]nother
I [Bm] promise that I'll love you for the [A] rest of my life

[D] [G] [Bm] [A]

There'll [D] never be a-[G]nother
I [Bm] promise that I'll love you for the [A] rest of my life
